Chandler Egan, former national champion, came within one stroke of making it a quadruple tie, his round today being 75, a total of 152 for the two days' play.

Richfield Given Game When Manti Pitcher Starts Row.

Richfield, Sept. 7.—The Manti team arrived here yesterday and played a game with the local ball tossers. The game was characterized by wrangling over the umpire's decision. Charlie Schougaard officiated as umpire and Selman, a pitcher imported from somewhere, whose chief claim to fame is his ability to "beef" about the umpire, was also present. The game had reached the fourth inning with the score tied, 2 to 2. Selman, who pitched for the visitors, succeeded in filling the bases and two Richfield men scored. The bases were filled a second time and only one man out when Selman made his famous play of raising a row, and the game was stopped. Umpire Shougaard very properly awarded the game to Richfield, with the score 4 to 2 in favor of the home team.

Oldfield Establishes a Record While Louis Chevrolet Gets

Lowell, Mass., Sept. 7 .- Although arranged only as a "filler" between yesterday's national small competitions and tomorrow's 318 miles stock chaisses event, the series of mile straightaway speed trials held today over the Merrimac Valley circuit proved to be one of continuous thrills. Although no records were broken, one was established by Barney Oldfield. His time of 51 1-5 seconds for a mile with a standing start, made in a Benz (German) machine, of 129 horse-power, will be the first official record for such an event in America automobile racing an event in America automobile racing an event in America automobile racing an-

nals.

Aside from Oldfield's feats, the consistent driving of Louis Chevrolet, winner of yesterday's 159-mile small carrace, was noteworthy. In the nine events of the day he was started in five, winning two firsts, two seconds and one third in his Buick machine.

NIGHT RIDERS BUSY.

New York, Sept. 7.—Through the arrest of two men at the Sheepshead Bay race track, the owners of race horses declare they have discovered a revival of the old system of "night riding." Ostend, a 2-year-old race horse, belonging to Walter S. House, was taken from his stable Sunday night and ridden on the yearling training track to the point of exhaustion so that when he was led to the paddock to start in the race for which he was a prime favorite he was utterly unfit to run. It is said that a large amount of money had been bet against the horse winning the race. This practice was common a few years ago on western and Canadian tracks and it has been attempted here, but with only varying success. Extra guards have been placed about all stables at the Sheepshead Bay track.

MIDDLEWEIGHT FIGHT.

Houghton, Mich., Sept. 7.—Eddie Mc-Goorty of Oshkosh won the decision in his fight last night with Art Allard of Hubbel, Mich., for the middleweight championship of the northwest.

It was McGoorty's fight throughout, Allard getting in only two or three blows, excepting in the clinches.

McGoorty will now take on Tony Caponi either here or at Dayton.

Some to Vailsburg, Some to First Upset in Dope in Intermountain Play-One Final Today.

The breakup of the bicycle season was noticed yesterday in the departure for Valesburg of iver Lawson, Ernie Pye. Walter Bardgett and Paddy Hehir. The local contingent goes with every hope of making a creditable showing in the east. The match races between Lawson and Kramer and Clarke will be closely watched and many say that Lawson will more than hold his own.

Lawson was noncommittal as to his chances other than to say: "I expect to break even and to win as many firsts as the next man."

But two matches in singles made up the intermountain tennis play yesterday at the Country club, although both offered high class in the way of tennis. The feature match was that between Garnett, 1908 state champion, and C. B. Neel, considered one of the strongest competitors for the singles title. Garnett won in two straight sets, his game showing to advantage over that of his opponent. The victory came as one of the first upsets in form in the tournament, and following the showing made the backers of Garnett were loud in their claims that he

Hardy Downing is building a house and says he will stay here until something definite turns up in the east. Whittler, the motor fiend, will also stay in Salt Lake.
